You may notice a + sign after some prices. This indicates price variations among service providers that are based on education and experience. Continuing education at Amplify Studio is something that is not only encouraged; it is required. After professionals complete training sessions and educational workshops with industry leaders, their prices increase to reflect a new skill level. We appreciate 24 hours notice for cancellations.

## METHODS OF PAYMENT

We accept MasterCard, VISA, Discover, check and cash. Payment is due upon services rendered.
